

SE London Long Term Plan response

OHSEL Board 22nd July 2019

A partnership of NHS providers and Clinical
Commissioning Groups serving the boroughs
of Bexley, Bromley, Greenwich, Lambeth,
Lewisham and Southwark, with NHS England

The Long Term Plan

Published January 2019

Response in autumn (draft September, final November):

- Optimal care setting eg digital consultations
- System infrastructure eg single CCG, Primary Care Networks
- Tackling prevention and health inequalities
- Outcome improvements (maternity, cancer, cardiovascular disease, respiratory, mental health, autism etc.)
- Workforce
- Digitally enabled care
- Sustainable finance

The NHS's “National Offer” in the Long Term Plan

	a. Primary prevention, community action & self-care	b. Integrated community models.	c. Specialist services and provider networks

Next steps in SE London

- A London chapter (working with other STPs, GLA and London councils)
- Lots of templates(!)
- A coherent narrative about collaboration leading to sustainable high quality clinical outcomes for local residents which are affordable.
- Local authorities as key partners and a narrative that is place based and goes beyond health
